### **Coming and Going**

Palm Beach Gardens, Florida-based Cross Match -- known for being the first to meet a federal challenge to develop ultra-quick ten-print capture devices -- has a new chairman of the board in Walter F. Raquet. Raquet is currently the CEO of WR Capital Management and has served on Cross Match's board since 1999. Other previous positions include senior roles at Spear, Leeds & Kellogg/Troster Singer and at Herzog Heine & Geduld. He is also the founder of Knight Capital Group (Nasdaq: NITE).
